

Middle Tennessee School of Anesthesia Student Complaint Form

MTSA encourages and welcomes feedback on aspects of its operation. It recognizes the rights of students to express dissatisfaction or make complaints about processes or services provided by MTSA. Grievances are complaints brought by students regarding MTSA's provision of education and academic services affecting their role as students. Grievances must be based on a claimed violation of a MTSA rule, policy, or established practice. This policy does not limit MTSA's right to change rules, policies, or practices.

Please note this form is not meant to replace the process required by an Academic Grievance. Those processes for contesting grades or course credit are outlined in the Academic Grievance Procedures found in the **MTSA Student Handbook**. A separate policy and procedures are in place for handling complaints of sexual harassment. Complaints concerning sexual harassment are directed to the Title IX Coordinator.
