## Student Facilities

There are two student lounges, located in the Bowen Academic Center and in the P.T. Magan building, both equipped with a refrigerator, microwave, dishwasher, ice machine, and a dining table. The Bowen Academic Center's lounge also has tables and chairs for students to meet. Also, vending machines are located in this lounge. Students are responsible for their food and clean-up of the lounges and are to notify staff if there is a problem. Drinks taken out of the lounges must have a cap or lid when going into classrooms.

In the main hallway, there is a student mailroom. Books and internal correspondence (i.e., billing notices, transcripts) are delivered to these boxes and students are notified by e-mail when they are placed in their box. Junior students have the larger mailboxes along the side and back walls to be able to hold their bags, textbooks, and simulation equipment. When juniors progress to seniors, their mailbox is moved to a smaller size. Students are responsible for keeping the mailroom tidy.

The P.T. Magan building's copy/print station is located in the main hallway. The P.T. Magan building also houses the MTSA fitness center. There are separate male and female shower facilities in the restrooms, as well as daily lockers for those using the fitness center. The center can be accessed 24 hours a day with the electronic card key.

The MTSA campus buildings and the outdoor covered porch areas are equipped with wireless internet service dedicated exclusively to students' use, to enable an entire class to work online simultaneously. The WiFi password will be given to students during orientation.
