

 The logo of the Middle Tennessee School of Anesthesia is circular. It features a central caduceus (a staff with two snakes entwined and wings at the top) superimposed on a background of a caduceus. The text "MIDDLE TENNESSEE SCHOOL OF ANESTHESIA" is written around the top inner edge of the circle, and "GENESIS 2:21" is written along the bottom inner edge. A banner at the bottom of the circle contains the year "1980".	<p>Middle Tennessee School of Anesthesia</p> <p><b><i>Evaluating and Awarding Academic Credit</i></b></p> <p><i>(Formerly Transfer Policy)</i></p>	<p>Policy #: <u>5.4.105</u></p> <p>Revised: <u>8/2018</u></p>

Due to the single purpose, lock step nature, anesthesia-focused educational curricula that MTSA offers, transfer credit will not be accepted to the DNAP PD program.

In the rare instance that a student applies to transfer into the DNAP Completion program from another DNAP completion program, MTSA would allow that applicant to petition the NAP Council for consideration of transfer of up to six (6) hours of academic credit for courses that are determined to be identical in overall student learning outcomes.
