

### What is “*Cost of Attendance*”

Using the Department of Education's guidelines, MTSA’s Financial Aid Office establishes a Cost of Attendance [COA] for each academic year. The COA is an estimate of the student's educational expenses for one year at a time, which includes three semesters.

Establishing your personal financial budget is the basis in estimating your need for financial assistance while attending school. The basics of budgeting are to form good financial habits and develop an awareness of spending. Your budget should include the below listed items.

Items considered in MTSA’s Cost of Attendance include:

**Tuition and Fees**

**Books and Supplies** – required textbooks and supplies needed

**Room and Board** – house payment/rent, utilities, and food

**Transportation** – fuel, general vehicle upkeep, and transportation costs (not to be used for purchase of a vehicle)

**Personal and Miscellaneous** – mobile phone and internet costs, health insurance, exams/licensure costs, etc.

At the beginning of each new academic year, MTSA will establish a new COA based on the above items. **The established COA sets the limit on the total financial aid you may request.**
