MISSION & AWARDS Gala

Benefiting the People of Peru

PERU

Your tax deductible sponsorship to the MTSA Mission & Awards Gala will bring hope, education, and medical care to the people of Peru.

MTSA is partnering with the People of Peru Project to provide aid to the region located at the headwaters of the Amazon River. Iquitos, Peru is a city of 600,000 people surrounded by thousands of square miles of jungle and plagued by poverty. The organization is vigilant in the fight against human trafficking and exploitation of children, many of whom are left alone to survive on the streets or in the surrounding jungle with no parent or family unit to provide care. Thanks to volunteers and supporters, the People of Peru Project provides medical and dental care to thousands, education for disadvantaged children, health education to communities, and opportunities for spiritual growth to those who are searching.

Your support at this year's Mission & Awards Gala will help MTSA address specific needs for women and children of Iquitos, Peru. The School is partnering with the People of Peru Project in planning an international service opportunity that will allow all MTSA staff to participate. The partnership will also help bolster anesthesia care in a future clinic with two operating rooms — including the purchase of an ultrasound machine — to support regional anesthesia and pain management services for those in extreme poverty.

Help us reach our goal of \$25,000 by supporting the MTSA Mission & Awards Gala.
